Education

2022	**MSc in Mathematics, Vision, Learning**, *ENS Paris-Saclay*.

- Reinforcement learning
- Large scale optimization
- Learning for time series
- Computational statistics

2020	**BSc in Mathematics**, *Université Paris-Saclay*, with High Honours (Top 2%).

MSc Research experience

Topic	**Algorithmic Stability and Hypothesis Complexity**
Supervisor	***Prof.*** **Gilles Blanchard**
Research centre	**Département de Mathématiques d'Orsay, France**

Programming skills

Programming languages	C++, Python, R, Matlab
Database management	SQL, PL/SQL

Honors

Winner of FMJH Master's **Excellence scholarship**

Languages

French	**Fluent**	*DALF C1*
English	**Fluent**	*TOEFLibt score: 98 - C1*
Arabic	**Native**	

Extra-professional interests

- Paris-Saclay Debating team
- Jogging
