Education

2022 **MSc in Mathematics, Vision, Learning**, *ENS Paris-Saclay*, France.
- Reinforcement learning
- Large scale optimization
- Learning for time series
- Graphs in machine learning

2020 **BSc in Mathematics**, *Université Paris-Saclay*, with High Honours (Top 2%).

MSc Research experiences

2022 **Reinforcement learning for Network Optimization**, *under the supervison of*, Filippo Vanella, Ericsson Research, Stockholm, Sweden.

2021 **Algorithmic Stability and Hypothesis Complexity**, *under the supervison of*, *Prof.* Gilles Blanchard, Département de Mathématiques d'Orsay, Orsay, France.

Programming skills

Programming languages
Python, C++, R, Matlab, *Deep learning libraries: PyTorch & Jax*

Database management
SQL, PL/SQL

Honors

Winner of FMJH[1] Master's **Excellence scholarship**

Languages

- French: **Fluent** - DALF C1
- English: **Fluent** - TOEFL 98 - C1
- Arabic: **Native**
- German: **Beginner**

Extra-professional interests

- Paris-Saclay Debating team
- Jogging

---

1. Fondation Mathématique Jacques Hadamard
